

To 119 Ministries and all who may be following the signs in the heavens:

This 'thought' turned out much longer than I anticipated, but I pray that you take a few minutes to read it through. This is not a proclamation by any stretch, just a note of concern to send out to friends and family and I simply ask that you pray and consider what I am presenting. Even if it is wrong, maybe it will spark a thought that the Father can utilize in you to help us all through the times ahead.

I, have been praying and pondering over many of the events that have happened over the last few days, and I'm sure all of you have been doing the same. As I reviewed in my mind about the teaching called "Blow the Trumpet", it is apparent that "Big" things may not have taken place on the dates many have been watching (although I know that one is still left); however, there were still many things that transpired on these days. They were just not what many were expecting to our preconceived idea's. Yet this does not negate what actually did transpire. Fact is, these could have even been testing periods for the body of Christ in these end days.

So let me start this with scripture. Yeshua mentioned that the birth pains begin with wars and earthquakes around the world.

Matt. 24:7 Nation will rise against nation, and kingdom against kingdom. There will be famines and earthquakes in various places.

Matt. 24:8 All these are the beginning of birth pains.

Matt. 24:9 "Then you will be handed over to be persecuted and put to death, and you will be hated by all nations because of me.

On a side note, Luke 21:12, according to English translators, appears to contradict Matt. 24:9. Luke 21:12 starts off like this in the NIV ....

Luke 21:12 "But before all this, they will lay hands on you and persecute you. ...

It's the phrase "before all this, they" that is in question. There is no Greek word for "they" here. And the word for "this" is houtos in the Greek. It's a plural pronoun for "this, this one and he". Meaning this part of the verse can be rendered ... "And before they lay hands on you ..."  
Meaning that which was previously said would happen before they lay hands on you.

This parallels that of Matt. 24:9. The key point here is that Matt 24:7-9 states this is the beginning of it all. It would almost seem to imply that it could happen all in one day. (Please stay with me here). Yeshua distinguishes between Nations and Kingdoms. He even keeps them singular in the text. Implying there will be one specific

nation against another and one specific kingdom against another.

Could these two nations that will be at war be the nation of Islam (Ishmael) against the nation of Israel (both houses of Jacob through Isaac)?

Could these two kingdoms be the kingdom of Satan against the Kingdom of God? Let us not forget that Michael ceases fighting just prior to the return of Yeshua ...

Dan. 12:1 "At that time Michael, the great prince who protects your people, will arise. There will be a time of distress such as has not happened from the beginning of nations until then. But at that time your people — everyone whose name is found written in the book — will be delivered.

The word for "arise" in the Hebrew is omed. It means "to stand still, to cease from action".

The next part of Matt 24:7 mentions the famines and earthquakes. The Greek for "various places" is kata topos. Which can actually be translated as "according to passages". Thus, this part of the sentence that Yeshua said can actually be rendered "There will be famines and earthquakes according to the passages". Please look at the greek for yourself. It must be noted that Matt. 24:7 is the ONLY place that kata is translated as "various".

IF, and I say "IF", this is the case, what passages inform us of such a war and earthquakes together in the scriptures that Yeshua would be referring to?

The only one that I can think of is that of the Gog and Magog war mentioned in Eze. 38. I know there are many debates as to when this war takes place. For there is also reference to Gog and Magog in Revelation at the end of the Millennium as well. However, the ending to that "battle" is completely different to that which is given in Eze, 38. We can't forget that Gog is actually a title and not a name. Meaning there can easily be two events with this same title referenced.

Please refresh yourself by reviewing Eze. 38. This is where all the nations surrounding Israel attack her. But please note that Israel is not just those in the land of Israel. And in this passage we see the enemy getting ready to attack the "unwalled villages". The land of Israel is NOT unwalled. As you read through this passage of Ezekiel, you will find elements of those the enemy attacks sound just as much like America as it does the land of Israel at times. Could it be actually referring to both? Think about it. Islam truly hates America just as much as it does Israel. In fact, in Islam, America is called the great satan and Israel the little satan. And both have the ability to represent both houses of Israel.

Plus, let us not forget that this war in Eze. 38 ends with a massive earthquake. Could this be the passages that Yeshua is referring to in Matt. 24:7-9?

But there is something more. As mentioned in the teaching titled "The First Five Trumpets" you know that it is very plausible for all first four trumpets to take place in less than a total of 12 hours or so. What if the same is possible for the last five seals. What if the first seal has just recently transpired by the elections we just witnessed. (interesting 4 minute video on this - <http://www.youtube.com/watch?v=JnwQPaUMMb8&sns=em> ).

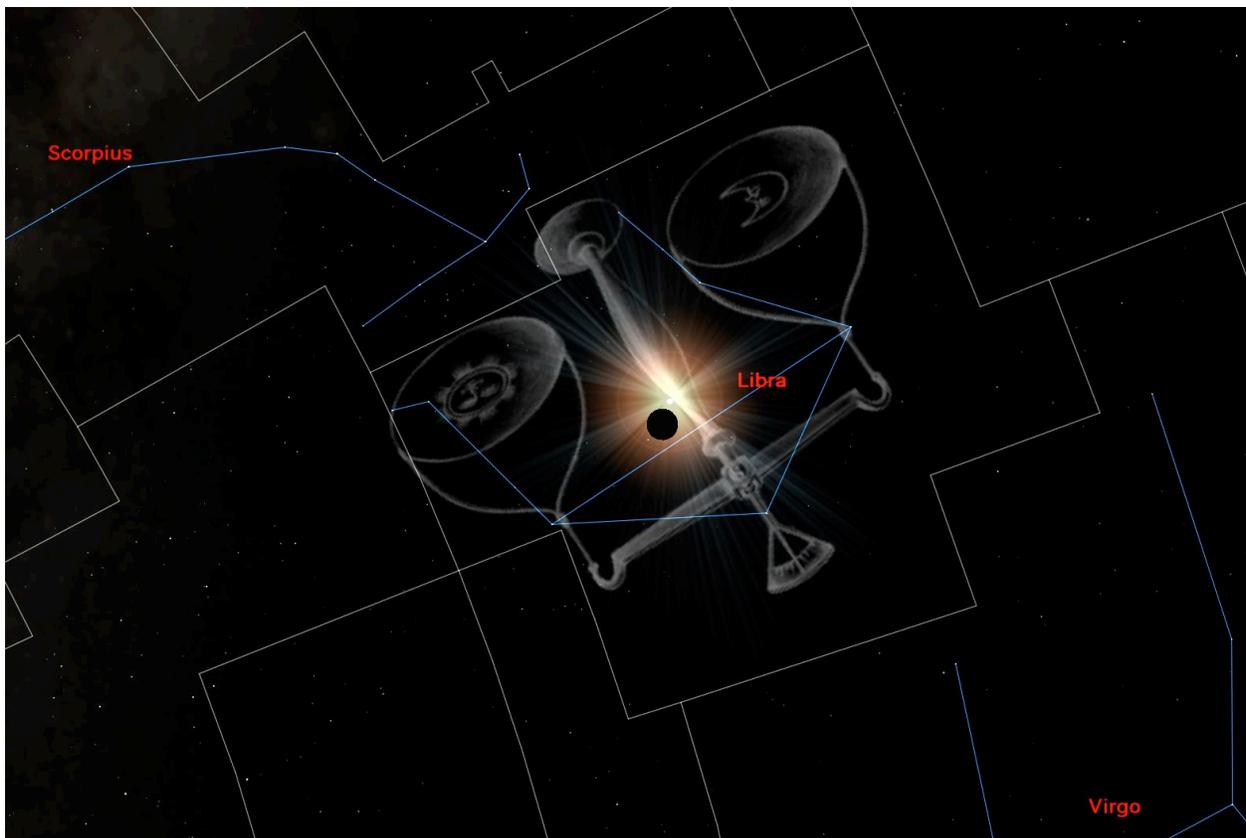

The second, third and fourth seals are simply war, famine and death. All of which could easily compound on one another in one day. And of course, ending with a major earthquake in the 6th seal.

It appears that this particular earthquake happens on a total solar eclipse. ...

Rev. 6:12 I watched as he opened the sixth seal. There was a great earthquake. The sun turned black like sackcloth made of goat hair, the whole moon turned blood red,

Rev. 6:13 and the stars in the sky fell to earth, as late figs drop from a fig tree when shaken by a strong wind.

The next total solar eclipse happens this coming Tuesday night(Nov. 13th). Seven days after the election. The important thing to note here is that not another total solar eclipse happens until March 20th 2015. But there is something special about this particular total solar eclipse, it happens right in the middle of Libra. The scales of judgement. See below.

I obviously do not know if this will be the case. However, I find it all very interesting. Let us all be attentive to this coming Tuesday.

The eclipse actually happens at 1:11 am Wed. morning in Israel. Thus, according to the prophecy in Eze. 38, war would begin

sometime Tuesday night after sundown in Jerusalem(6:06 pm)  
since the prophecy says that the earthquake would happen on the  
same day of the attack(18-20). Keeping it all in one day.  
(Sundown to sundown)

Since Israel is approximately 8 hours ahead of us, pending your  
time zone, we need to be mindful to this in the late morning to  
early afternoon. Keeping in mind that IF something of this nature  
actually DOES happen a major earthquake could be looming in  
the early evening hours.

I know, I know.... it's a lot to take in and almost too hard to  
believe. And I admit that absolutely NOTHING may happen. I  
truly realize this. All I ask is that we pray and look into it.

If you believe this has ANY merit what so ever to at least be  
considered "plausible", please share. If not, please trash.

Shalom!
